(Arnie), and John (Stacy) were initiated on Tuesday, January 26 and Joel was initiated on Tuesday, February 9.

Arnie Katz and his wife live at 2315 Woodfield Lane in Marietta. He is self-employed as a media and communications consultant with emphasis on film, photography, design, graphics and marketing. Stacy Acton, along with his wife and daughter, live at 6235 Rivershore Parkway in Sandy Springs. He is a

mechanical engineer and sales manager for Vickers and Associates. He is experienced in hydraulic sales and design. Joel Andrews, his wife, and infant son live at 2770 Benson Drive in Marietta. He is employed as a soft-

ware engineer with Global Payments, Inc. and also does system engineering in Unix.

The pictures on the left show Arnie on the left and Stacy on the right. The picture on the right (above) is of Joel. They have all three begun work on their catechism and hope to complete the learning process in a short time.

The second section of the degree was presided over by WB Randy Blasch,

shown at right, as he is about to instruct the newly-obligated brothers to remember their obligations.

Others who played a role in the Initiation ceremonies included WM Mike Downs, who conferred the degrees, Christian Castro Montenegro, who as Senior Deacon received the candidates, and also delivered the Apron Lecture, WB Kent Rollings, who gave the Bible Lecture, WB Ken Howard, who presented the Charity Lecture, and SW Ameer Mackhoul, who gave the Northeast Corner Lecture.

Don't forget to take a look at our Sandy Springs Lodge web site. Jan Maaskant has done an excellent job of bringing it up to date—and more importantly—keeping it up to date. Just press **Ctrl+click** on the link below to see what Christian Castro Montenegro has planned for the Social Committee during the upcoming months. Pay particular attention to the trip to the Fox Theatre on March 13 and the Opera *The Magic Flute* on April 24. <http://www.ssl124.us/socialcommittee.html>
