WB Ken McIntosh and Robert Perry are Awarded 50-year Pins and Certificates by PGM Joe Suttles

Past Master Kenneth B. McIntosh and Brother Robert R. Perry were given recognition for 50 years of service to Masonry at a dinner meeting of Sandy Springs Lodge held on Tuesday, July 27, 2004.

The presentations were made by Most Worshipful Brother Joseph P. Suttles.

The occasion was a very impressive one, with 50 persons in attendance. Brother McIntosh was accompanied by seven other family members. He was Master of Sandy Springs Lodge in 1961 and has been active in Masonic work at the Lodge ever since.

Brother Perry is not a member of our Lodge, but has been associated with his home Lodge in Pennsylvania.

The photo on the left shows Brother McIntosh along with his wife, Dorothy, just to his right, his daughter-in-law, Beverly, who is pinning the award on his lapel, and three other

family members including PM Don McIntosh. PGM Suttles is shown on the far left of the picture.

Brother McIntosh is an expert ritualist and is a member of the 5th Masonic District Lodge of Instruction, serving under the District Custodian of Work Greg Foster.

Brother Perry, at right, was accompanied by his wife, Dee, who pinned his award on his lapel.

Both of these 50-year Masons were given a certificate in appreciation for their years of dedicated service to the fraternity.

Our Lodge presented WB McIntosh with a 50-year apron. He had requested that Bro. Suttles present his apron to him—insisting that he would wait until the Past Grand Master was available for the ceremony, in case there was a conflict on this special night.

WB Tommy Meeks served a delicious meal featuring poppy chicken. He was assisted by Tom Kellen in the kitchen.
