Next Communication to Feature E.A. Degree

At our next communication, to be held on March 9, at 7:30 p.m. we will confer the Entered-Apprentice Degree on a newly-elected candidate. There will be some new ideas shown at this meeting, and you should make a special effort to attend. The E.A. Degree is an important event in the life of the new

Mason and also in the life of the Lodge. Brother Brett Goodnough will confer the degree, with Jim Ritter as Senior Deacon. Other important roles will include the Bible Lecture by WB Kent Rollings and the Apron Lecture by Tom Kellen. Julian Hinson will serve as conductor (assisted by WB Tommy Meeks). The Charity Lecture will be given by WB Ken Howard, and WB Ken McIntosh will serve as Master for the 2nd section of the degree. WB Ben Johnson will deliver the Northeast Corner Lecture. Jim Ritter has agreed to act as Mentor for our new candidate.

We have a new set of real candlesticks for use in the degree, and it is hoped that this will give the proceedings an air of dignity. Also you will see the new scroll, which will be used in the reading of the Charge to the new candidate, as he officially becomes a Brother.

Honor for WB Warren Danner

Our great Mason, WB Warren Danner, was presented with 50-year awards in both the Chapter and Council of the York Rite bodies at a special ceremony

held last Wednesday, March 3, 2004 at St. Joseph's Hospital, where Warren was recuperating from a bout with fluid around the heart. The presentation was made by Past Grand Master Joseph Suttles, a long-time member and leader of our York Rite groups.

The picture at top left above shows one of our new candlesticks. To the right is shown the new scroll holder. We plan to use both of these at our Initiation. Above is shown PGM Joe Suttles, presenting WB Warren Danner with one of the certificates in recognition of his 50 years of York Rite service.
